In Sympathy

The Salve Regina College Community expresses its deepest sympathies to Sister Lucille McKillop, SRC President, whose mother, Mrs. Katherine McKillop, passed away August 16 after a long illness. Mrs. McKillop was 73.

Friends are asked to make donations to the Sisters of Mercy Fund in lieu of flowers.

She will perform works by Mozart, Schubert, Brahms, Strauss, and Wagner.

President's Council for Development Formed

"Salve Regina College looks forward to increased enrollment and expanded academic programs in the coming decade," Sister Lucille McKillop told the College's newly formed President's Council for Development at a luncheon meeting August 12th at Ochre Court.

"Now that the College has proven itself a vital member of the Newport community and as a quality institution of higher education, it's time to focus our attention on long-range planning and development," she said.

The Council will act as an advisory group to the President and will work closely with the College's Board of Trustees to help Salve Regina evaluate its present position and determine its long-range objectives.

With nearly half of Salve Regina's 1,500 students enrolled in programs that did not exist 10 years ago, one of the group's specific goals will be to advise the College on curricula changes geared to meet the community's needs, as well as increase enrollment.

According to Sister Lucille, Salve Regina has grown so rapidly in the past three years that it now faces what she termed the "problems of success" ranging from limited parking areas to the need for increased academic facilities.
